Assessment of Need and Enforcement Plan
Emmett Ranger District – Boise National Forest
Order #0402-06-28

1. Background. NFSR #611 had a major fill slope failure at Mile Post 1.8 during the winter of 2011. The overall road width is less than 8 feet and is impassable to motorized vehicles. The closure is required for public safety and to protect the road from further resource damage and for reconstruction.

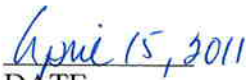

2. Intent of Subpart B order. This temporary road closure is for all motorized vehicles to promote public safety and prevent resource damage until the road can be repaired.

3. Enforcement Plan. On the ground signing and temporary barricades will be utilized to inform the public of the closure. On site FS administrative personnel will make compliance contacts as needed.
